Leela Prasanna Mutyala

Aspiring Java Full Stack Developer

Professional Summary

Enthusiastic and detail-oriented individual with a strong foundation in Core & Advanced Java, Spring Boot, and relational Database. Passionate about building efficient, user-focused software solutions with clean and maintainable code. A quick learner with a proactive mindset, eager to take on challenges and contribute to real-time, impactful projects. Committed to continuous learning and staying updated with evolving technologies in the software development field.

Education

Rajiv Gandhi University of Knowledge Technologies srikakulam (IIIT)   (2021-2025)
- Bachelor of Technology(B.Tech) in Computer Science and Engineering, CGPA: 8.5

Rajiv Gandhi University of Knowledge Technologies srikakulam (IIIT)   (2019-2021)
- Class XII, Aggregate:9.2

ZPPH School,katrenipadu   (2019)
- SSC (Class X), CGPA: 9.8

Projects

Online Compiler System   6/2025

Developed an online code execution platform that allows users to write, run, and test programs directly in the browser. The system supports multiple programming languages through a third-party execution API, provides real-time output, handles custom input and errors, and maintains execution history for users. Added a responsive and user-friendly interface to ensure smooth and efficient coding experience.

Technologies Used: Java · Spring Boot · PostgreSQL · REST APIs · Judge0 API · Postman

E-Commerce Web Application   8/2025

Developed an e-commerce platform that allows users to browse products, view detailed descriptions, and manage their shopping cart. The system supports secure user authentication, order placement, and smooth navigation to improve the shopping experience. Added an intuitive interface to make product exploration and checkout simple and efficient. Technologies used**:**Java, Spring Boot, MySQL, HTML, CSS, REST APIs, MVC Architecture, Web Application Development.

Technologies Used:Node.js · Express.js · PostgreSQL · React · REST APIs

SKILLS

- **Language**s: Core Java | Advanced Java | JavaScript
- **Technologies/Framework**s: HTML | CSS | React basics | Node.js | Spring Boot
- **Databases**: MySQL, PostgreSQL
- **Tools/Platforms**: Git | Postman
- **Others**: REST APIs | JDBC | Object-Oriented Programming
- **Soft Skill**s: Problem Solving | Team Collaboration| Agile Developmet | Version Control

Internship Experience

vijay software solutions|8/2025-present

Currently working as an intern at Vijay Software Solutions, gaining hands-on experience in Java, Spring Boot, and MySQL. Involved in building web applications, integrating REST APIs, and collaborating in a team using Git, Bitbucket, and Agile practices.
